

Acceptable Use Policy

Last updated November 20, 2025

This Acceptable Use Policy ("Policy") is part of our [Terms of Use](#) ("Legal Terms") and should therefore be read alongside our main Legal Terms. Your usage of our AI Products signifies your agreement to engage with our platform in a lawful, ethical, and responsible manner that respects the rights and dignity of all individuals.

Please carefully review this Policy which applies to any and all:

- uses of our Services (as defined in "Legal Terms")
- forms, materials, consent tools, comments, post, and all other content available on the Services ("Content")
- material which you contribute to the Services including any upload, post, review, disclosure, ratings, comments, chat etc. in any forum, chatrooms, reviews, and to any interactive services associated with it ("Contribution")
- responsible implementation and management of AI Products within our Services

We use essential cookies to make our site work. With your consent, we may also use non-essential cookies to improve user experience and analyze website traffic. By clicking "Accept," you agree to our website's cookie use as described in our [Cookie Policy](#). You can change your cookie settings at any time by clicking "[Preferences](#)."

Accept

When you use the Services, you warrant that you will comply with this Policy and with all applicable laws.

You also acknowledge that you may not:

- Systematically retrieve data or other content from the Services to create or compile, directly or indirectly, a collection, compilation, database, or directory without written permission from us.
- Make any unauthorized use of the Services, including collecting usernames and/or email addresses of users by electronic or other means for the purpose of sending unsolicited email, or creating user accounts by automated means or under false pretenses.
- Circumvent, disable, or otherwise interfere with security-related features of the Services, including features that prevent or restrict the use or copying of any Content or enforce limitations on the use of the Services and/or the Content contained therein.
- Engage in unauthorized framing of or linking to the Services.
- Trick, defraud, or mislead us and other users, especially in any attempt to learn sensitive account information such as user passwords.
- Make improper use of our Services, including our support services or submit false reports of abuse or misconduct.
- Engage in any automated use of the Services, such as using scripts to send comments or messages, or using any data mining, robots, or similar data gathering and extraction tools.
- Interfere with, disrupt, or create an undue burden on the Services or the networks or the Services connected.
- Attempt to impersonate another user or person or use the username of another user.
- Use any information obtained from the Services in order to harass, abuse, or harm another person.
- Use the Services as part of any effort to compete with us or otherwise use the Services and/or the Content for any revenue-generating endeavor or commercial enterprise.

We use essential cookies to make our site work. With your consent, we may also use non-essential cookies to improve user experience and analyze website traffic. By clicking "Accept," you agree to our website's cookie use as described in our [Cookie Policy](#). You can change your cookie settings at any time by clicking "[Preferences](#)."

- Use a buying agent or purchasing agent to make purchases on the Services.

- Sell or otherwise transfer your profile.
-

Subscriptions

- **In short:** Subscription users must not modify, redistribute, or share access to our Services without permission.

If you subscribe to our Services, you understand, acknowledge, and agree that you may not, except if expressly permitted:

- Engage in any use, including modification, copying, redistribution, publication, display, performance, or retransmission, of any portions of any Services, other than as expressly permitted by this Policy.
 - Reconstruct or attempt to discover any source code or algorithms of the Services, or any portion thereof, by any means whatsoever.
 - Provide, or otherwise make available, the Services to any third party.
 - Intercept any data not intended for you.
 - Damage, reveal, or alter any user's data, or any other hardware, software, or information relating to another person or entity.
-

We use essential cookies to make our site work. With your consent, we may also use non-essential cookies to improve user experience and analyze website traffic. By clicking "Accept," you agree to our website's cookie use as described in our [Cookie Policy](#). You can change your cookie settings at any time by clicking "[Preferences](#)."

- Implement AI-based social scoring systems that evaluate or classify individuals based on their social behavior or personal traits in a manner that causes harm or discrimination.
- Assess the risk of an individual committing criminal offenses based solely on profiling or personality traits.
- Compile facial recognition databases through untargeted scraping of facial images from the internet or social media.
- Use AI to infer emotions in sensitive environments such as workplaces or educational institutions where such analysis could lead to discrimination.
- Engage in real-time remote biometric identification in public places for law enforcement purposes.

Artificial Intelligence

- **In short:** We are committed to using AI ethically and responsibly.

We recognize the significant impact AI can have on our users and society, and we are dedicated to ensuring that our AI Products are designed and operated in a manner that aligns with comprehensive ethical standards. We aim to use AI to enhance user experiences while upholding fairness, transparency, and accountability principles.

This Policy applies to all AI-powered features, services, and systems in our Services. It governs the development, deployment, and use of AI technologies to protect users' rights and maintain transparency in all AI operations.

We use essential cookies to make our site work. With your consent, we may also use non-essential cookies to improve user experience and analyze website traffic. By clicking "Accept," you agree to our website's cookie use as described in our [Cookie Policy](#). You can change your cookie settings at any time by clicking "[Preferences](#)."

- Using AI in a way that compromises security of our systems or users.

We may take the following actions:

- **Warnings:** The responsible party may receive a formal warning.
- **Temporary Suspension:** Access to AI Products may be temporarily suspended.
- **Termination of Access:** Serious violations may lead to permanent termination.
- **Legal Action:** We may pursue legal action for significant harm or breaches.
- **Public Disclosure:** We reserve the right to publicly disclose severe ethical breaches.

Commitment to Responsible AI

In addition to the consequences outlined above, we are deeply committed to repairing any harm caused by the misuse of AI. We will correct biased outcomes and implement additional safeguards to prevent future violations.

At Storybound LLC, we are committed to the ongoing refinement and enhancement of our Policy. As technology evolves and regulatory environments shift, we will regularly review and update our Policy to reflect technological advancements and legal changes in AI ethics.

We use essential cookies to make our site work. With your consent, we may also use non-essential cookies to improve user experience and analyze website traffic. Contributions.

- All your Contributions comply with applicable laws and are original and true.
- Your Contributions do not infringe the proprietary rights of any third party.
- You have the verifiable consent of each identifiable individual person in your Contributions.

You agree not to post, transmit, or upload any Contribution that:

- Is in breach of applicable laws or promotes illegal activities.
- Is defamatory, obscene, offensive, hateful, intimidating, bullying, or threatening.
- Is false, inaccurate, or misleading.
- Includes child sexual abuse material or violates child protection laws.
- Promotes violence or threatens physical harm against another.
- Is sexually explicit or otherwise objectionable.
- Is discriminatory based on race, sex, religion, nationality, disability, sexual orientation, or age.
- Bullies, intimidates, humiliates, or insults any person.
- Promotes or facilitates acts of terrorism.
- Infringes intellectual property or privacy rights.
- Misrepresents your identity or relationship with us.
- Contains unsolicited advertising, spam, or other forms of solicitation.

Reporting a Breach of This Policy

We use essential cookies to make our site work. With your consent, we may also use non-essential cookies to improve user experience and analyze website traffic. By clicking "Accept," you agree to our website's cookie use as described in our [Cookie Policy](#). You can change your cookie settings at any time by clicking "[Preferences](#)."

- Users can also send detailed feedback on their interactions with our AI Products by emailing support@storybound.kids.

Consequences of Breaching This Policy

- **In short:** Violations may result in warnings, suspension, account termination, or legal action.

The consequences for violating our Policy will vary depending on the severity of the breach and the user's history on the Services.

We may, in some cases, give you a warning and/or remove the infringing Contribution. However, if your breach is serious or if you continue to breach our Legal Terms and this Policy, we have the right to suspend or terminate your access to and use of our Services and, if applicable, disable your account.

We may also notify law enforcement or issue legal proceedings against you when we believe that there is a genuine risk to an individual or a threat to public safety.

We exclude our liability for all action we may take in response to any of your breaches of this Policy.

Complaints and Removal of Legitimate Content

We use essential cookies to make our site work. With your consent, we may also use non-essential cookies to improve user experience and analyze website traffic. By clicking "Accept," you agree to our website's cookie use as described in our [Cookie Policy](#). You can change your cookie settings at any time by clicking "[Preferences](#)."

Storybound LLC is under no obligation to monitor users' activities, and we disclaim any responsibility for any user's misuse of the Services.

Storybound LLC has no responsibility for any user or other Content or Contribution created, maintained, stored, transmitted, or accessible on or through the Services, and is not obligated to monitor or exercise any editorial control over such material.

If Storybound LLC becomes aware that any such Content or Contribution violates this Policy, Storybound LLC may, in addition to removing such Content or Contribution and blocking your account, report such breach to the police or appropriate regulatory authority.
